It was forwarded to Ryan; I'm sure he's been running non-stop today but will countersign it today.

Ryan - Are you able to jump on a call during those times?

Hi David – Thanks for the quick turnaround. For sake of getting this deal done,
the Mavs can sign. If you don't mind providing a clean draft, Ryan Mackey
can execute via DocuSign. Thanks.

Sekou,

Attached is the revised NDA. We accepted almost all of your suggestions and note a couple of changes we made in Section 9. Separately, we will be turning the Sponsorship Agreement shortly.

Good morning, Sekou.

Yes, we can agree to limit the definition of Confidential Information to the legal opinion, and the conversation in connection therewith. An exclusion to share the conversation with the NBA feels appropriate and we are comfortable with you and the team sharing the opinion with your outside counsel in connection with answering questions relating to the opinion.

We look forward to receiving your comments to the NDA and discussing any other open questions you or the team have.

Thanks, David. I glanced over the NDA and before I take a deeper look, can we agree to limit the definition of confidential information to the legal opinion, and the conversations in connection therewith? Also, we'll need to have an exclusion to share with the NBA the conversations, and we can "describe" (I can't think of a better word at the moment) – we can "describe" the contents of the opinion but we cannot share the actual document, file, etc. memorializing the opinion. Lastly, if we have questions we may need to share the opinion or portions of it with our outside counsel.

Is that acceptable?

(The NBA stated if the Mavs, and its outside counsel are comfortable with the opinion, then the call with Voyager and the NBA is not necessary).
